Invitation to MedTech22

Dear Colleagues,

We are pleased to invite your organisation to participate as a valued sponsor of the MTAA MedTech22 Annual Conference, hosted by the Medical Technology Association of Australia.

The MedTech22 Annual Conference is the premier medical technology industry conference in Australia and brings together leaders and influencers from across industry, government and academia to discuss the key areas affecting MedTech.

This year has seen MedTech, and the broader healthcare sector, again in the spotlight more than ever. We have seen rapid advancements in innovative technology shaping the future of healthcare, as well as industry and government working together to combat issues facing our community and changes to the regulatory landscape. These activities and more have been included in an extensive 2-day program featuring a line-up of eminent international and local presenters.

MedTech22 will provide more opportunities for networking and building valuable relationships with health industry stakeholders from across Australia and internationally.

We look forward to seeing you all in Sydney.

Premium Exposure

Supporting Partners sponsorship provides exceptional value to any organisation wanting to reach the MedTech community. It offers branding opportunities with high-level exposure in the lead-up to, during and post the event.

Supporting Partners receive a booth in the exhibition area prominently located in the Exhibition Hall with several networking opportunities available.

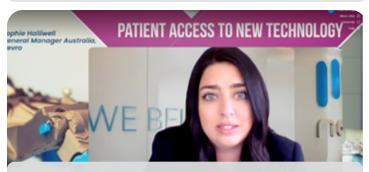

Intermission Videos

Each break will feature intermission videos promoting your organisation in front of an engaged audience.

Showreel Feature

Demonstrate your product or advertise your mission and vision statement with a 30 second message on how your organisation is helping create a healthier Australia.

Flyers/Handouts

Distribute your printed marketing material at the entry of the conference or on the tables in the main conference area. Complementing the other promotional activities, flyers/handouts will allow attendees to learn more about your organisation during and after the conference.

TIP: We recommend including your business card with every flyer/handout.

All Access Tickets

Complete your experience with an all access pass to the Conference. Learn the latest issues affecting MedTech, celebrate with industry leaders during the Awards Dinner, and connect with like-minded professionals at every networking event.
